763 team members

Baptist Beaches provides residents with easy access to comprehensive, high-tech medical and surgical care close to home. We offer the only hospital-based, 24-hour emergency service at the beach. The medical staff includes 253 highly trained physicians in different specialties who practice locally. As part of the Baptist Health system, Baptist Beaches has access to many additional specialized physicians, services, and resources including Baptist MD Anderson Cancer Center and the Stroke & Cerebrovascular Center.
