At Wolfson Children’s Hospital, our mission is to provide optimal health for the region’s children by providing patient- and family-centered care, education, research and child advocacy.

Patient- and Family-Centered Care
- We partner with the patient and family to deliver safe and high-quality care.

Education
- Main teaching facility for the Pediatric Residency Training Program UF College of Medicine – Jacksonville
- Site of pediatric training for multiple Mayo College of Medicine Jacksonville physicians
- Training tomorrow’s pediatric doctors, nurses, chaplains, pharmacists and other allied health professionals

Research
- Dedicated Clinical Research Center for investigator-initiated and multi-center studies
- Evidence-based best practices to improve care/outcomes

Child Advocacy
- THE PLAYERS Center for Child Health at Wolfson Children’s provides programs designed to prevent illness/injury, increase access to care, educate families, promote health/wellness, and advocate for children.

Nationally Recognized, Regional Leader in Pediatrics
- Recognized among America’s Best Children’s Hospitals by U.S. News & World Report year after year
- Awarded Magnet™ designation for excellence in patient care, Asthma-Friendly Hospital designation by the Florida Asthma Coalition, and the AACN Silver Award for Excellence™ in pediatric cardiovascular intensive care; Extracorporeal Life Support Organization Award for ECMO excellence

World-Class Care Close to Home
Our medical faculty includes pediatric subspecialists with Nemours Children’s Specialty Care, Jacksonville, UPMC Children’s Hospital of Pittsburgh, the UF College of Medicine – Jacksonville, and Mayo Clinic.
- 1,200+ nurses and staff
- 250+ full-time physicians in 34 specialties
- Wolfson Children’s Specialty Centers in Lake City, Daytona Beach, Clay County, Tallahassee, and Brunswick, Ga.
