

CHILD LIFE WISH LIST

Thank you for your interest in donating to the patients of Wolfson Children's Hospital. Your donations will be given to patients and family members during their hospitalization to provide comfort and distraction, as well as normalize the hospital environment.
Below is a list of our most needed items, which can also be found on our Amazon Wish List.

Donations drop offs may be pre-scheduled within the hours of 10am-4:00p.m.
At the time of your appointment, a member of the Child Life team will meet you outside of the main campus entrance loop of the Borowy Critical Care Tower (see map).

Child Life Wish List

When a child is hospitalized, play becomes a vital component of their healing journey. With your support, we can ensure that all our young patients, from infants to teenagers, have access to a variety of toys and activities. This is only achievable through the generosity of our community of donors.

This list offers suggestions for frequently used items for our patients and families, but you are welcome to choose from other options as well. Donations can also be made through our online Amazon Wish List, which highlights essential items while allowing for broader selections and multiple options.

Please ensure that all donated items are new, unused, and in their original packaging.
