## MOONSTONE

*Symbol of new beginnings...*

A lavish collection of textured wallcoverings softly iridescent like the MOONSTONE.

A semi-precious stone with alluring lustre, evocative of shimmering moonlight gliding across calm water.

MOONSTONE is a timeless collection of beautiful and oh-so-touchable wallcoverings crafted from natural mica.

Our luxurious 3D textures subtly reflect light to dazzling effect. Brought to you in a range of stone sizes, from super-fine to tantalizingly textured.

Elegantly embellished by abstract art.  
Handcrafted into a magnificent mosaic.  
Softly sprinkled in striking geometric designs.

The MOONSTONE collection.  
Luxurious. Mysterious. Dazzling.
