Cleaning and Maintenance

Cleaning Code: **(W)** Clean with water-based foam or water-based cleaners only. Do not use solvents. We recommend using a professional cleaning service.

Bleach solutions of up to 10% may be used for more difficult stains.

Dye lots may vary slightly.

* This term and any corresponding data refer to the typical performance in the tests indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions.

** Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be an indicator of increased lifespan.
