SORRENTO TABLE SETTING

- The Sorrento Table is a great coordinating table to use in the same project interior paired with some of our low stools.

ORBIT

BOX

The location and size of the Sorrento range leg frames make the Sorrento Table unsuitable for pairing with the Sorrento seating, it blocks entry and exit to the setting.

key features

5yrs warranty
[2yrs upholstery]

FINISHES

- The materials chosen are designed to be lighter and easier to install than concrete and keeps a substantial feel
- Our standard powdercoats are UV resistant and outdoor suitable (including our range of bright colours).
- Touch up cans available for easy maintenance

FRAMES

- The powdercoated aluminium frames won't corrode even if the powdercoated finish gets scratched

FLAT ENDS

- Flat ends allow modules to be butted together. This gives flexibility to cluster and reconfigure to suit your install location

OPTIONAL UPHOLSTERY

- Slimline 40mm cushion to slightly soften the hardwood seat. Flat surface easy to wipe down and disinfect keeping hygiene and safety front of mind. Serviceable via velcro straps to underside.

FIXING

- Easy to access + service fixing tabs tucked away in the frame for a clean look
