Bondi

80L Litter Bin

The popular Bondi Bin is now available in a compact 80L litter bin size. With its beautiful contrast in materials and elegantly curved top corners, the Bondi has it all. New panel designs in contemporary cutouts or vertical grooved compact, extra powdercoat colours and usable inside or out. Bondi is simply a designer's dream. Plus Bondi is made in Australia so if you want to add your own twist with a logo engraved into DuraSlat, brand your signage to your recycling program or create your own door patterns, call us on 1300 762 701, we have the facilities to bring your vision to life.
