Cooee Three Quarter Wall With

CAUTION & WARNING STATEMENT.

- Ensure wheels are locked and stationary when attaching Accessories.
- Cooee Wall With Power has internal wiring and live power when plugged in.
- Do not screw or drill anywhere unless stated on the Func Assembly guide.
- Escape routes must not be blocked.
- Disconnect Power when moving.
- Move slow, especially when crossing door thresholds etc.
- Ensure all cables have no loops and are out of foot traffic. (No trip hazards)
- Do not load heavy accessories on one side of the wall, as it increases the chance of tipping.
