CREATE YOUR SPACE

COOEE COLLECTION

Cooee is all about enhancing existing spaces and defining new ones, when and where you need them. Break-out zones, co-working hubs, common areas, libraries, meeting spaces – you name it.

The Cooee range of mobile walls, desking screens, wall tiles and wall panels come in a range of eye-popping colors and use an integrated tool rail with interchangeable trays, hooks, hoods and whiteboards, to make them your own.

WHAT'S YOUR SPACE?

All Cooee accessories are interchangeable across our walls and desking screens.

MOBILE WALLS

Welcome to the ultimate alternative to inflexible and expensive office fit outs. Cooee Mobile Walls are easy to move and simple to connect, so you can create the spaces you need at the drop of a hat.

Their lightweight internal frames are complemented by a steel base to give them strength, while the combination of sustainable, sound absorbing PET and a noise blocking membrane offer superior noise reduction.

Make your life easy by choosing one of 10 preconfigured walls, or make your own by choosing your height, color and accessories.

Easy.

COOEE COLLABORATION WALL

Why stop at one whiteboard
when you can have 4 personal
whiteboards...on each side.

COOEE DISPLAY WALL

A little storage and a lot
of display to showcase
awards, magazines or your
kids' latest drawings.

COOEE MONITOR WALL

Welcome to your new video conferencing space with 110V, USB-A, USB-C power and space to handle a 50" screen.

COOEE STORAGE WALL

The perfect space creator and ultimate multi-purpose wall. Store it, hang it, lots of it.

COOEE BIOPHILIA WALL

Remind yourself that
Mother Nature isn't far away
with bins that are perfect
homes for ferns and fronds.

COOEE LOUVRE WALL

It's a wall. No, it isn't.
Yes, it is. The easy to
operate louvers let light in
when you need it and keep
sound out when you don't.

FIXED WALLS

Sometimes there's no way around it, walls just don't move. But that doesn't mean they have to be boring.

Our range of Cooee Fixed Walls, Tiles and Boards fix easily to any wall and add a little fun, function and acoustic mindfulness to a space.

COOEE FIXED WALL

It's still a fun and functional wall, it's just a lot less mobile than a mobile wall. It's light though so it clips onto a wall with four Z clips.

COOEE WALL TILES

Functional wall art with an acoustic heart available in circular, rectangular, and square designs.

COOEE COLLABORATION WALLBOARDS AND WHITEBOARDS

The perfect pair. Pick your wallboard, match your patented whiteboard and there it is, your very own hangable, erasable, magnetic, noise reducing collaboration space.

COOEE COLLABORATION WALLBOARDS AND WHITEBOARDS CONFIGURATION IDEAS

Cooee Collaboration Wallboards and Whiteboards not only come in a range of sizes, they're designed to reduce noise.

While sold individually, they're designed to fit seamlessly together, making them a scalable solution for your evolving needs.

Whatever space you have we have the perfect solution for you.

COOEE DESKING SCREENS

Turn almost any desk or table into a private, productive workspace with a sense of style and a lot of storage.

The smart design delivers simple cable management, non-destructive installation and comes in a range of sizes. Fancy a little extra acoustic and visual privacy? Why not add a Cooee Desking Visor or Hood.

COOEE DESKING SCREENS

More than just a divider, it's a 3-layer noise absorbing shield that come in 7-sizes and has a built-in tool rail for a little vertical storage.

COOEE DESKING DIVIDER

Shut out noisy neighbors with the Cooee Desking Divider that also doubles as a modesty screen. The 3-layer noise absorbing design and integrated Tool Rail offer vertical storage in front and to the side.

COOEE DESKING WING

Let your ideas take flight with a little more privacy. Compact design meets visual continuity and the choice of left or right placement.

COOEE ACCESSORIES

Each interchangeable Cooee accessory is super easy to hook into the Tool Rail that’s built into Cooee products.

The Cooee Accessories that are made of steel, come in 12 eye-popping powder coats. Which color and where you hook them is completely up to you.

Not sure which Cooee Accessory suits your Cooee Wall or Desking Screen? No worries, refer to the handy chart on page 26 to match the perfect fit.

	Cup This is where you put those pens, erasers and scissors that never have a home – you know the ones. It also acts as a connector so that walls can “cupple” together.
	Hook It’s hard to say much about a well-designed, sturdy hook other than its perfect for hanging bags, shirts, coats, headphones and speakers.
	Long Tray 40”, a non-slip insert with a little cable management know how and raised edges will soon become home for those workplace must haves like phones and markers.
	Short Tray 20”, a non-slip insert with a little cable management know how and raised edges. Offers you the same function the long tray does, just with half the length.
	Long Bin 40”, a non-slip insert with a little cable management know how and 4.5” depth holds those taller things like thermos mugs, that ruin your day when you drop them.
	Short Bin 20”, a non-slip insert with a little cable management know how and 4.5” depth. Offers you the same function the long bin does, just with half the length.
	Planter Insert Crafted to perfectly complement Cooee Half and Three Quarter walls, the Cooee Planter Insert (4” deep) seamlessly integrates into your workspace, infusing it with a touch of biophilia.

	Wall Visor It’s all about managing noisy neighbors. Simply screw into the top of any mobile wall. Trust us, the overhanging design and 2.5” increase in wall height makes a huge difference to its acoustic properties.
	Desking Visor Pre-glued to maintain shape, it ships ready to install. Seamless integration designed to further enhance privacy and acoustics.
	Desking Hood Your gateway to a focused workspace. Its clever open design on each side, acts as a transmittal of light and occupancy to create your personal oasis of productivity.
	Large Whiteboard The 47.5” x 78.5” dry erasable, magnetic whiteboard hangs on a pair of Hooks. It’s what we used to start designing Cooee Mobile Walls!
	Small Whiteboard The 19.9” x 25.8” whiteboard is also erasable and magnetic, it’s just smaller and hangs on one Hook. Simple really.
	Personal Whiteboard At 11.5” x 11.5” dry erasable, magnetic whiteboard is the ultimate tool to take your brainstorming and note-taking to a whole new level.
	Wall Adjustable Foot The accessory that’s keeps your wall as steady as a rock, but still allows it to glide across hard surfaces or carpet when required.
	Productivity Accessory Pack Signal your availability: Green (grass) if you’re up for a chat or Red (ochre) for deep focus. Quick visual cues that say, “Don’t disturb me, I’m on a roll!” This pack includes three cards, Red, Green and a Writable one along with a cup and a hook, to keep your essentials within arm’s reach.
	Productivity Cards Set of 3. Red (ochre), Green (grass) and a Writeable card to signal your availability. Green if you’re up for a chat or red for deep focus. Quick visual cues that say, “Don’t disturb me, I’m on a roll!”

COOL COLORS & FUNC.Y FINISHES

Cooee is made from the highest quality steel, and sustainable PET. Surfaces are made from PET that's available in 24 colorful colors, or if you're after a more natural look 4 terrific timber prints.

The steel accessories are what make your Cooee your own. They're available in 12-eye popping powder coats, so you can complement or contrast the PET. Pick an accessory pack and they are all the same color, but if you fancy a little mixing and matching, choose an individual accessory in whichever color your heart desires.
