

Maroubra

LITTER BIN

The zany Maroubra is a robust streetscape bin, capable of handling the high demands of public spaces. The perforated designs not only create a design feature and contrast to the galvanised inner liner, the broken surface deters marker graffiti and is finger safe for children. The hinged hood prevents your bin filling with rain and deters scavenging wildlife. A unique design for memorable spaces.

+ SPECIFICATIONS

CAPACITY	70L galvanised steel liner
FINISHES	Hood: powdercoated aluminium Body: powdercoated, zinc primed steel with perforations Fixed ribbon base: galvanised or powdercoated steel Perforation designs: Morse, Speckle, Wedge or Windows Powdercoat colours: select from Botton + Gardiner's standard range or custom specify a colour
FEATURES	The unique ribbon sled base is a sturdy, durable streetscape design - resistant to vandalism by force, a small footprint reduces rubbish accumulating around the base and it's easy to install The galvanised liner won't melt if lit cigarette butts are accidentally thrown into the bin The perforated body not only casts funky shadowing and peeks through to the galvanised liner finish, it deters marker vandalism Perforation designs are child safe, conforming to AS4685.1 finger entrapment guidelines on play equipment The hood is hinged for easy removal of the liners and ensures parts stay in place, deterring theft
OPTIONS	Customise the ribbon base to your brand colours or waste channels Install bins in pairs to create general waste and recycling units Opt to add logos into the perforations of your single bins for extra branding
WARRANTY	5 years
FIXING	Surface fixed
INDICATIVE LEADTIME	Made in Australia 6-8 weeks
