

Ascoli

Ascoli is a luminous rectilinear pattern with gleaming flecks of color and metallic. Inspired by the namesake Italian city's reflective stone architecture and windows of light, this design lends the perfect touch of elegance to your space. The 8-sku palette features shades ranging from sun-lit pearl white to medium/deep gem tones such as moon-beaming blue. Type II 20 oz 52/54"; Non-woven backing; reverse hang/random match Installation.
