

Sakura

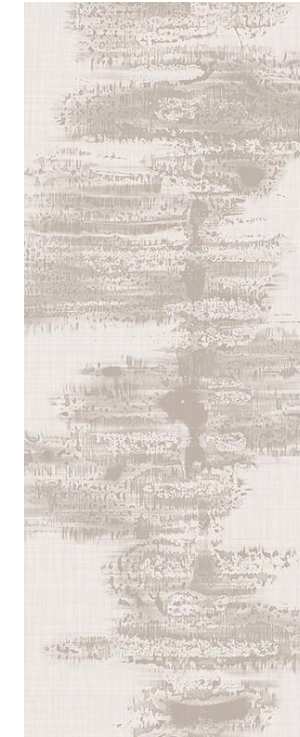

A large-scale shibori stripe, Sakura, is inspired by its companion designs, Hanami and Hanami Silk. The bold and abstract motif provides a striking finish over the luminous silk texture. The essence of the design is brought to life by the 5-sku palette's unexpected color pairings. Coordinates with Hanami Silk and Hanami. Type II 20 oz 52/54"; Non-woven backing; reverse hang/random match Installation.
