Jesuit Retreat House

75<sup>th</sup>  
Anniversary

# Jubilee Initiatives

Milestone anniversaries invite us to reflect on the many blessings from our shared history. As we recall with gratitude all that has been provided to Bellarmine, it is natural to consider how we can care for the people and institutions that have formed us. Please mark this moment with a gift to fund the Jubilee Initiatives that spring from our core values. Each one will enhance the retreatant experience for decades to come.

## Care for our Sacred Spaces

\$95,000  
GOAL

1

### Initiative: Refurbish 75 Chairs and Kneelers in the Sacred Heart Chapel

During each retreat, hours are spent in the Sacred Heart Chapel. It is the spiritual and sacramental heart of the retreat house. It is where we speak to the Lord and listen for His responses in sacred silence.

CORE VALUE  
**Prayer**

## Care for Creation

\$60,000  
GOAL

2

### Initiative: Planting 75 Trees

Types of trees (depending on availability at time of planting): Maple, Pear, Linden, Bald Cypress, Ginkgo Biloba, Crabapple, Dogwood, Honey Locust, Dawn Redwood, Scotch Pine, White Cedar.

CORE VALUE  
**Sacred Space**

### Individual Tree Dedication

\$1,200 (includes ongoing tree care and outdoor dedication plaque)

Let all creation sing! Bellarmine has lost over 70 trees during the last 10 years due to storms, age, and disease. We need your help to reforest and provide the many benefits of trees around Bellarmine's 80 acres.

\$55,000  
GOAL

3

### Initiative: Energy Efficient Projects (purchase commercial washing machine, commercial dishwasher, and several air-conditioning compressors that are over 20 years old)

Updated equipment for our kitchen staff and housekeepers will result in an increase in productivity and energy conservation, allowing us to better steward our finances.

## Care for our Youth

\$26,250  
GOAL

4

### Initiative: Purchase 75 New Chairs and Floor Pillows for the Conference Center

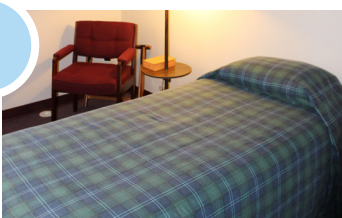

Each year over 1,500 high school students spend three to four days on retreat at Bellarmine. They feel God's love poured out for them. It is time to update our furnishings to be more welcoming and comfortable.

CORE VALUE  
**Ignatian Spirituality**

## Care for the Person

\$9,000  
GOAL

5

### Initiative: Replace Comforters for 75 Beds

Come to me all you who labor and I will give you rest! Our existing bedspreads are worn thin and we need to replace them with cozy and versatile comforters that will also be easier for us to maintain and clean.

CORE VALUE  
**Hospitality**
