Day of Reflection for Men & Women

Easter is about the renewal/transformation of all things, including ourselves. Lent can be an invitation to think about the kind of “new creation” we desire to become and to take steps to work toward that. On this day of reflection, we will learn how to deepen our relationship with God through prayer, fasting, and almsgiving.

Retreat Leader: Fr. Mark Scalese, SJ

Religious superior of young Jesuits in the First Studies Program at Loyola University Chicago; previously tenured professor in film, television and media arts.

The Bellarmine Retreat Experience

What to Expect

A day or evening of reflection, grounded in the Jesuit tradition, is a shorter version of the Ignatian Weekend Retreat. Wherever you are on your spiritual journey, a day or evening program is sure to give you the peace and serenity needed to be still and to rest in God's loving embrace. Your day or evening of reflection includes thematic talks from our skilled Retreat Leaders, time for private prayer, celebration of Mass and a meal.

- Bellarmine has two libraries, a resource center, two chapels, dining room, and many other places to relax.
- Located on 80 acres, with both woodlands and prairie grasses.
- Outdoor spaces include walking trails, prayer gardens, a gazebo, stations of the cross, as well as patios and outdoor chairs and benches.
- Each retreatant has their own bedroom.

Graces and Blessings of a Retreat

"I enjoy coming to a Bellarmine retreat to let go of the worldly distractions and reconnect and refocus on Our Lord and what is important in life."

"Time to be silent, to grow in my relationship with Jesus. Excellent "tools" given to help make that happen."

"The silence. It's the only time in life where I have access to silence for this long and it opens my heart to hear God."
