

PP 220 „Sammy“ - Heated pet mat

Easy cleaning thanks to machine-washable cover and waterproof heating element

2 temperature settings

4 timer levels (2h, 4h, 8h, 12h)

Comfortable heated mat provides soothing heat for your pet

Proven safety thanks to integrated bite protection on the power cable and protected heating element (scratch-resistant and waterproof as per IPX7)

Flexible range of applications: on the floor, sofa, etc.

Overheating protection thanks to electronic temperature regulation

Safe design thanks to multi-layered structure

Easy-to-use hand switch for setting the temperature and timer settings

Comfortable thanks to additional soft padding

Bite protection around the power cable: Additional metal and plastic sheathing

Protected heating element: Scratch-resistant and waterproof (IPX7)

Additional safety due to low voltage: Current voltage reduced to 12V

Instruction on care: Cover machine washable at 30°C

Guarantee: 2 years

Article number: 10544

EAN: 4,211,125,105,440

Master carton packaging unit: 4 pcs

Guarantee: 2 years

Product dimensions: 65.00 cm x 50.00 cm

Weight (without packaging): 0.97 kg
