

DONATE + PRAY

Your donation will help Bible Society's 'Wonderfully Made' project offer women and children in the Cook Islands:

- Trauma healing workshops centred on biblical values, addressing gender and domestic violence
- Sunday school teachers' training, equipping teachers to encourage the love of Bible reading among children and promote biblical values in everyday life
- Bible distribution and creative community outreach events, including celebrating the Cook Islands' music, dance, art and more.

Please pray for an end to gender and domestic violence in the Cook Islands, and for God's word to reign in people's hearts, knowing they are fearfully and wonderfully made!
