- **Bible-based Trauma Healing sessions**, offering emotional and spiritual restoration to those affected by violence, insurgency, and displacement
- **Distribution of essential relief items** including food, clothing, and back-to-school packs for children
- **Free Bibles in local languages**, ensuring access to God's word for individuals and families in need
- **Support for children's education and spiritual growth**, helping them rediscover hope and identity in Christ

Please pray for peace and healing in Nigeria's conflict-affected regions, and that God's word will bring rest, transformation, and renewed purpose to those who have suffered so much.
