WHAT WE ALL NEED FOR YESTERDAY, TODAY, AND TOMORROW

A friend recently said to me after attending our churches outreach course, 'what is Christianity, if not about redemption?'. He came to understand something unique and absolutely central to the Christian faith - that "Christ Jesus came into the world to save sinners". But the Christian faith doesn't just deal with our past. In Jesus we are also offered strength for today, and hope for tomorrow as we follow Jesus in the trenches of life. This session will look at how Jesus is good news for every stage of our lives - past, present and future.

TRUE FRIENDS? HOW TO BE CLOSE WITH YOUR GROUP WITHOUT LOSING YOURSELF

Why can friendship sometimes feel so exhausting? How can we be there for our friends when we are also struggling? Do I have to be reachable 24/7? Most of us have grown up with a vision of friendship that is intense, and involved, and if we're Christians we'll feel even greater pressure to be 'good' friends. What does being a Christian mean for our friendships? What can Jesus show us about what being a good friend actually means, and could it actually be better than we think?

What is Masterclass?

Bible Society's Masterclass events are for students in high school to explore contemporary issues from a biblical perspective. Masterclass also includes a popular Q&A session which gives students the freedom to ask our panel of speakers searching questions

about the Christian faith. Your students are frequently challenged to give a reason for the hope they have in Jesus. Masterclass helps young Christians to grow in their confidence and withstand the pressures of living in a post-Christian society.
