JESUS FORETOLD: HOW DOES ALL OF SCRIPTURE POINT TO JESUS

Out of the two dozen (or so) arguments in the case for Christianity, the Bible endorses fulfilled prophecy as carrying serious weight. So how does Scripture point to Jesus, and what would it have been like for the disciples on the Emmaus Road to have Jesus open their minds to understand the Scriptures?

THE FREEDOM TRAP

Our freedom-charged lives offer more choice, better technology and seemingly limitless possibilities. And yet, happiness and well-being remain illusive. What if modern freedom is a trap? And if it is, what can we do to free ourselves from it? This session will explore these questions through the lens of the Christian message and offer some lifehacks for how we can reimagine and reclaim true freedom in everyday life.

AGREE TO DISAGREE?

Our world is full of disagreement - and all too often, rejecting someone's opinion means rejecting the person too. Is it possible, in an age of outrage, to disagree with someone and love them at the same time?

How can we hold our own convictions with humility, and respond well to those who find our beliefs challenging?

Bible Society's Masterclass events are for students in school years 9-11 to explore contemporary issues from a biblical perspective.

Masterclass also includes a popular Q&A session which gives students the freedom to ask our panel of speakers searching questions about the Christian faith.

Your students are frequently challenged to give a reason for the hope they have in Jesus. Masterclass helps young Christians to grow in their confidence and withstand the pressures of living in a post-Christian society.

Please note: This event will be filmed. Arrangements will be made for those who do not wish to be filmed or photographed on the day.
