EAT THIS BOOK

If you are what you eat, what are you consuming – not with your mouth but with your mind, heart, and spirit – and who are you becoming?

This talk makes the case for a lifelong habit of stocking your insides with Scripture – why, what, and how.

THE FREEDOM TRAP

Our freedom-charged lives offer more choice, better technology and seemingly limitless possibilities. And yet, happiness and well-being remain illusive. What if modern freedom is a trap? And if it is, what can we do to free ourselves from it? This session will explore these questions through the lens of the Christian message and offer some lifehacks for how we can reimagine and reclaim true freedom in everyday life.

Bible Society's Masterclass events are for students in school years 9-11 to explore contemporary issues from a biblical perspective.

Masterclass also includes a popular Q&A session which gives students the freedom to ask our panel of speakers searching questions about the Christian faith.

Your students are frequently challenged to give a reason for the hope they have in Jesus. Masterclass helps young Christians to grow in their confidence and withstand the pressures of living in a post-Christian society.
