

Upcycling Workshop

Are you interested in getting creative and learning a new skill?

Whether you're a total beginner or love getting crafty, this workshop is for everyone - no experience is necessary. We will support residents to learn how to design and upcycle!

The workshop will take place during the weekly community breakfast, and is an opportunity for residents to relax, learn a new skill, connect with others, improve confidence, and have a moment to focus on their health and wellbeing through this creative activity.

You're also welcome to create a charm to commemorate Grenfell, as a personal tribute or symbol of remembrance
