Exercise A1.1: Derivations

Many English words have Latin origins. We say that these words derive from Latin. Therefore, they are called 'derivations'.

See if you can find English words which derive from these Latin words, and explain what they mean.

	Latin word	meaning	derivation	explanation
e.g.	īrātus	*angry*	*irate*	*very angry*
1	pater			
2	deus			
3	multus			
4	rēx			
5	fēmina
