

Exercise B3.5: Imperfect tense Latin into English

This exercise uses verbs from the Chapter 3 vocabulary list.

The verbs below are all in the imperfect tense. Translate each verb; look at the ending carefully to make sure you get the subject right.

	verb	translation
e.g.	pugnābāmus	<i>we were fighting</i>
1	iubēbant	
2	poterat	
3	ascendēbat	
4	dēscendēbātis	
5	petēbam	
6	cōspiciēbat	
7	poterant	
8	audiēbās	
9	pugnābam	
10	poterant	

Remember that **possum** is an irregular verb and so its imperfect endings are different.
