

### Exercise A6.3: Numbers wordsearch

Here are the Roman numerals for the numbers you have met in Chapter 6. Write the Latin word for each number next to the Roman numeral, and find the Latin words in the wordsearch.

I	<i>ūnus</i>	V	IX
II		VI	X
III		VII	C
IV		VIII	M

Then, find these words and translate them into English.

quārtus	secundus	tertius
sextus	septimus	nōnus
p̄rimus	octāvus	
decimus	quīntus
