Dear Mr. Xiong,

I am applying for the Junior Motion Graphics Designer position at Street/Strat VFX. I have admired Street/Strat since you presented your company's work to Professor Helen Whitaker's video production class in the fall of 2010. I knew I wanted to work with moving images; after seeing your work, I fell in love with motion graphics and have pursued it ever since.

I am graduating next month with a BFA in Visual Art from the College of Greenview, and would love the opportunity to talk with you more about this position. Please see my enclosed resume, reel and DRB; this material is also available on my website: AmirGadid.com. Thank you very much for your time and consideration, and I hope to hear from you soon.

Sincerely,

Amir Gadid
