<http://www.belfasttelegraph.co.uk/>

##### **MURALS OF NORTHERN IRELAND**

From the website: 'This is a collection of images of murals from Northern Ireland, principally West Belfast, Republican and Loyalist, painted during the recent period of Troubles. The images are records which include historical representation, political standpoints, community concerns, forms of ideological address. They range from overtly political declaration, to brutal depictions of the conflict, to humour and irony.' This site includes murals from the twenty-first century, as well as earlier ones during the Troubles.
