

I Marco Chapman only have a few things to say as my last words on Earth. First and foremost I have to say that Im truely sorry to Carolyn and Kourtney Marksbury for the crimes and sins Ive committed to them and with all my heart and soul Im sorry with ending the life of two beautiful children Cody and Shelby Marksbury.

I know the ending of my life will never bring them back and let them have the life they deserve but hopefully with my death it will give some sort of peace to Carolyn and Kourtney Marksbury.

I don't know why I did the things I did and I know the hate of me over that night must be overwhelming but Carolyn and Kourtney you have to know that I wasn't who I was or am. I am not a moster even though I did a mosterous, evil thing.

That is why I give my life willingly as well as quickly in hopes that you know how truely sorry I am. I hurt and ache daily for the loss Ive created in the Marksbury's family, but I hurt as well.

After all before that dreadful night I thought Carolyn as a friend and Kourtney, Cody, and Shelby like nieces and nephews cause I did and still care for them very deeply.

Im sure to Carolyn and Kourtney what happen that night was your worst nightmare imagineable but it is also mine , and for that I have to say Im sorry again.

I have no right to ask for forgiveness and don't intend to but I want you to know that I believe whole heartedly that Cody and Shelby are safe in Heaven.

I don't know if I deserve Heaven after what I did but I pray with all my heart that I find some sort of peace and happiness after my last breath.

I pray daily but not just for me but for Carolyn and Kourtney that even though they have the right to hate me I just hope they dont live with hate in their hearts.

With that said I close my eyes in prayer that Carolyn and Kourtney find a type of peace that they can live with and can find love and happiness in their lives.

As for my family and loved ones, just know I will miss and love each and every one but I know its right to give my life for the lives Ive shattered and ended.

I hope and pray with all that I am that you remember who I was and not what I did. Dont be sad over my death but relieved that I have found peace.

Just know Im with you all each and everyday in my heart and I will see you all again someday. Bye for now but never forever.

With all my love and sorrow

Marc Chapman

Im Sorry to Everyone
