

Heavenly Father, I give thanks for this time, for the time that we have been together, the fellowship in your world, the Christian family presented to me (He called the names of the personal witnesses.). Allow your holy spirit to flow as I know your love as been showered upon me. Forgive them for they know not what they do, as I know that you have forgiven me, as I have forgiven them. Lord Jesus, I commit my soul to you, I praise you, and I thank you.
