

Yes, your honor. I know you people are here to find closure for the things that you have done or that I have done. There are no words to describe the pain and suffering that you have gone through all these years, that is something that I cannot take back from you all. I hope that Megan, if she is here present today, know that today I hope you get peace and joy. I am sorry that it has taken 14 years to get closure. If it would have brought closure or brought her back, I would have done this years ago, I promise, I promise.

My family all knows the sincerity in my heart when I say these words to you. I didn't mean to inflict the pain and suffering on your family. I pray that she is safe in Heaven. I pray that you find closure and strength. My family prays for you and everybody, if these words can ever touch your heart, I am sorry, I am truly sorry. Ya'll take care. I love ya'll. Pastor tell Megan I am sorry.
