

To take someone's life is out of character for me. It is not David Martin. I am devastated at what I have done, but I can't remember it. My life has been dedicated to saving lives, helping people, not destroying people. I know I wouldn't willfully take another person's life. Something bad went down. But it wasn't David Martin. I wasn't right. I don't know. I don't know. That's all.
