

This is a time of gladness for me and a time of sadness. It's a time of gladness because I know I'm going to a better place. It's a time of sadness because I think of all the people involved who got me here and what's in store for them. They need to read this portion of the Bible and see what's down the road for them. I've seen so much pain for all these years. And now it's come down to this.
