

To Everyone  
 concerned: you can  
 beat me down just  
 so much, when I can't  
 get back for Mike  
 my brother you are a  
 loser. It should have  
 been you not me for  
 my mom to ever doubt  
 that fact that I was raped.  
 you also are a loser.

For Ari; I am worth  
 more money in death  
 than in life to you. I  
 hope you are happy.  
 For Levi just keeping  
 people like you are you  
 also are a loser.  
 For Mike Austin you stole  
 my last \$10.00 I hope it  
 was worth it.

I hope everyone is  
 are happy & I most  
 will be now. For Chuck  
 never again will I be able  
 to be taken advantage of.  
 I hope you die a horrible  
 death. I hope all of you  
 do. You can probably pull  
 up money for my death but  
 not my life. go to hell  
 all of you.

Beh.  
 everything I own given it
