

while they were just walking and looking through things and it look like Miami didn't like Anthony being there. Then around 2:30 pm. We left and I left with Larson and Anthony cause Michael was heading the ~~other way~~ other way and he left and we (me, Anthony and Larson) left, but I forgot that Miami had my phone so we head back and got the phone and Larson got some chicken to eat then we left and all head to school and we all went our separate ways.
