

himself I pulled away from him, took off my shoes and sat on my feet. Then he started pulling at my pants and took them off. The same with my hoodie and T-shirt. He had his hand on my shoulder and held me down with a little force. He penetrated my vaginal area with his penis. After a few thrusts he said I wasn't "wet" enough. Throughout this whole time, I said no, that I didn't want to do this. He then penetrated me again with his penis and kept thrusting until he stopped to put a condom on. Then continued until he ejaculated. Then I locked myself in the bathroom and showered for a long time. Then I convinced him to take me to my mom's house, telling him it was my brother's house. He said I had 15 minutes and so I ran towards 16th and Euclid. I ran to the men's halfway house and he took me to a friend's house where I called the police.
