I got inside the School at 8:00 and went up stairs and was waiting for my friend alex and I saw cash and christan and I went over there to talk and they saw a security guard with kids to bathroom and they started to get nervous and I asked why they fixed because they had just burned some paper towels in the back room

This morning I arrived at school around 7:45 a.m., around 8:00 a.m. I found my friend Kash Wolfe. He wanted to go upstairs so I went with him. He said he felt crazy today and wanted a lighter since his didn't work so I gave him mine. I just used the restroom & he wanted to play a prank along with me so we lit the paper towels on fire. In the upstairs bathroom, then we did one downstairs. Kash never lit any, just me.

1 This morning I
got off the bus,
walked to school, and
went inside. I then
went upstairs and
met my friend Alan.
It was around 7:45.
Then me and Alan
went downstairs and
I saw Christian. I
talked and then we
went upstairs and
went to our lockers.
We talked to Bryan
and Hunter and 1st
then went to 1st
block. After ~~we~~
Christian and me

met at our lockers
and he said lets
go to the restroom,
I said OK. We
went there and he
lit the paper on
fire and I ran
out the door and
So did he. I
ran to the lockers
and then I went
to my 2nd. Someone
Came and got me
to go to the
office, Im sorry
me and Christian
did this, I understand
its wrong, but

When ~~she~~ told me
to go to the
restroom and when
he did it, it was
just fun at the
moment. But when I
think about it now,
it was really stupid,
of me to listen to
Christian. We shouldn't
seem to always be
getting into trouble,
and I'm trying my
best in class. I
understand this is
~~and~~ me and Christians
fault and I know
