Lord, thank you for making this a pretty decent day. I got a few small things done, so the day was productive. Laredo had a good day at school and loves his glasses. Thank you so much for that, also for letting me talk to my friend Debby in California.

I know Debby wants me to move back to CA, but I just don't think I can do it. I hated it there. Tell me, Lord, does she need me there? Can we find a place to live without too much trouble with my credit? Can I find what special needs Laredo and I have to be met? What should I do? Help me God, please? Please push my SSI through soon so I can at least be able to DO SOMETHING.

Bless my son and my loved ones. Thank you for all you've done for us.
