I'm so sorry for what I've put you through I never meant to hurt all of you so much and I don't blame any one of you for disowning me I just cant be a burden to you and my friends any longer. You are all better off without me.

I'm so sorry for this.

I've just snapped. I can't take this meaningless existence anymore I've been a constant disappointment and that would have only continued. Just remember the good things we had together
