

friends

To all of my friends I'm so sorry for what I've done to you and put you through I've been a peice of shit my entire life it seems this is my only action.

I know everyone will remember me as some sort of monster but please understand that I just don't want to be a burden on the ones that I care for my entire life I just want to take a few peices of shit with me. I love you all so much and I don't want anyone to miss me just think about how much better you are off without me to support. I want my friends to remember all the good times we had together. Just think tho I'm gonna be fuckin famous.

You guys have always been there for me I'm just gad that I'm gonna have to go this alone. You guys are the best friends anyone could ever ask for. That's all I have to say is that I fuckin you guys.

P.S. I didn't eat that fuckin sandwich or the toilet thing either!
