

Appendix F. OSEE Intercultural Performance Assessment

Interpretive:

- **Observe** watch the video, listen, or observe the image or object.
- **State** impartially and objectively what you see and hear, without giving personal opinions or assumptions. Write two questions by yourself.

What I see and hear

Question 1	Question 2
-------------------	-------------------

Interpersonal:

- **Explore** possible explanations regarding the products or practices in the video, image, photo, or object within your small group. Gather more information with others. Ask your two questions. Come to consensus.

Questions
Additional Information
Possible Explanations

Presentation:

- **Evaluate** these explanations and the perspectives responsible for the products and practices you see. Connect with new authentic text on a similar theme from the culture(s) you teach. Compare with those Perspectives, Practices, and Products. Develop and present findings. Write three intercultural transfer targets. These statements start with I can...
