

SOURCE 4: Notes from Frederick Lindemann to Churchill on aspects of anti-submarine warfare, dated 1941 (CHAR 20/258A/111-113)

	On a scale of 1-5 how far do you agree that this source supports this inference?	Which extract(s) from the source support your argument?
The Allies know how German submarines detect Allied shipping.		
The German prisoner hasn't helped the Allies at all.		
Lindemann is very optimistic about the Battle of the Atlantic.		
Churchill would have been relieved, once he'd read this paper.
