	<b>On a scale of 1-5 how far do you agree that this source supports this inference?</b>	<b>Which extract(s) from the source support your argument?</b>
<b>The main problem holding up progress is how the new 'land ships' should make contact with the ground</b>		
<b>The need for a prototype tank is very urgent</b>		
<b>The Committee is trying to solve problems that no one yet knows the answer to</b>		
<b>The Admiralty want to keep the Landship project secret</b>		

*Who deserves credit for developing the tank?*

Churchill Archive for Schools Investigation

<b>It is not surprising that it is the Navy pushing ahead with the development of the tank</b>		
<b>The Navy were involved with the development of the tank because Churchill was keen to make progress and was able to give instructions to the navy.</b>
