## Chapter Fourteen: The Future

### Review Questions

How has the “infodemic” brought to light by the pandemic changed the role of, and importance of, school librarians?

Introducing change may require several different deliveries of the same information depending on the people you’re talking to. Think about the 5 groups of people discussed and how you may need to alter your strategies?

*Remember the essential questions from the beginning of the chapter? Now that you’ve studied this chapter, are you able to answer these questions?*

- What might the future of school libraries look like?
- How do innovations happen in organizations like schools?
- In what new ways might school librarians lead learning communities?

*To further deepen your understanding of this chapter, be sure to look at the Challenges to Promote Growth found on pages 311–312.*
