86 one will notice # I suppose it's quite annoying if you if 87 Ρ1 88 it calls in the middle of a conversation yeah 89 P2 90 P1 or something P2 well (.) ja 91 92 that that'll be only annoying not Ρ1 93 dangerous yeah if you say so I think (.) you're 94 P2 95 very (.) uh addicted to your phone (.) 96 when you don't have it (.) you (.) you 97 feel like you're missing something well 98 it's quite hard eller (.) uh to (.) 99 contact everyone (1.6) if you if you want to call someone it's (.) you really need 100 101 (.) the cellphone just (.) otherwise you 102 feel 103 P1 it makes it much easier to (1.6) uh talk 104 with your friends whenever you (.) want 105 to or're bored or 106 P2 exact (1.6) and if you're in danger you 107 can call 911 and (talk) 108 P1 yeah (3.3) uh (.) the sound level at concerts and discos are dangerous (.) uh 109 110 (.) if you're close to the 111 P2 yeah (talk) 112 P1 speakers then (.8) I suppose you can get 113 some (1.7) tinnitus and such (.) but they 114 (.9) do supply you with earplugs so 115 P2 yeah 116 P1 it's your own risk if you don't use them 117 P2 exact (.) I uh (.) well if you're afraid 118 of getting tinnitus you shouldn't stand 119 uh (.) right next to the speakers (.) and 120 maybe you can bring your own earplugs 121 (1.3) if you're allowed 122 P1 do you know works one 123 P2 yeah (4.1) living in the countryside is 124 better than living in a town (1.5) well

125		it's (.) both uh good and bad (.) I think
126	P1	yeah (.) if you live in the countryside
127		you'll have (.8) much fresher air (.) no
128		pollution (.) and so on but (.) you will
129		be far away from
130	P2	all the stores and
131	P1	yeah stores and work
132	P2	ja
133	P1	and all a lot of things that you can only
134		do
135	P2	when you're in town
136	P1	in the city
137	P2	yeah well uh (.) I think also that (.) uh
138		it's it depends where you grow up and if
139		you grow up in a in a town I think (.)
140		you find it better (.) to live in a town
141	P1	yeah and uh (.) when you live in the
142		countryside you usually (2.5) uh are far
143		away from your relatives and such ((door
144		opens))
145	P2	oj #
146	Т	you can take your red card
147	P2	oh (.) alright new
148	Т	express your own opinions ((giving
149		instructions)) it and also what other
150		opinions there are
151	P1	the world around us (1.6) well I think
152		(.) something that we should be discussed
153		is the greenhouse effect of course
154	P2	yeah
155	P1	and people (.) uh dispose their (4.1) uh
156		hhh (.) dangerous uhm
157	P2	ah
158	P1	trash and so on in the in (.8) seas and
159		oceans
160	P2	yeah
161	P1	'cause they can't (.) recycle it
162	P2	I think everyone should recycle and
		â
163		paperbags and (1.5) mm (.) $^\circ vad$ heter

164 det° and glassbottles and so (.) it's 165 not that hard and it's doing very much 166 for the environment 167 P1 ves 168 P2 should I take another 169 P1 yo 170 P2 what can you do to protect the 171 environment (.) well recycle (.) uh > (.)172 everything that can be recycled 173 P1 instead of just throwing away your bottle 174 you can walk a few hundred meters or so 175 to find a trash can 176 P2 yeah (.) exact (.) and you can take a 177 bicycle instead of the car (.) or doing 178 uhm (.) going on a bus instead of taking 179 your own car (.) I mean it's take 50 cars 180 in one bus (1.3) that's kind of much # # 181 P1 yeah since the buses will (.) be going 182 anyway because there are so many people 183 P2 yeah exact oh I think use 184 P1 and uh the Americans are also very (1.6) 185 P2 fat # 186 P1 # yeah they even sometimes they even take 187 their car to (1.6) uh uh just 188 P2 school or get their (.) mail (.) ten meters away 189 Pl 190 P2 yeah and they have (.) uh my friend was 191 in the US for a couple of months and they 192 had drive-ins for everything (.) they had 193 their liquor store they use the drive-in 194 and (.) the pharmaceaut and everything 195 (.) they're so lazy 196 P1 yeah (.) uhm (.) 197 P2 with cars and everything 198 P1 I've also heard that you can get (2.4) 199 bullied if you don't drive your car to 200 the your work and so on 201 P2 yeah exact it's many I think grownup men 202 who don't (.) want to go on the bus

203 becuase it's not (.) uh (.) it's not like cool # 204 205 P1 yeah they think it's so cool 206 P2 ah yeah (3.9) 207 P1 what is a good school (.) a good education 208 (.) for you or for different people? 209 P2 uhm (2.6) well (.) everyone should have 210 the right to go to a school where you get 211 right educated you have (.) friends and 212 (.) good teachers 213 P1 yeah everyone should have friends and the 214 teachers should (2.5) shouldn't 215 P2 notice everyone (.) should notice 216 everyone 217 P1 yeah they shouldn't (.) favor people 218 P2 yeah exact 219 P1 or disfavor for that part 220 P2 yeah # # I think everyone should had the 221 same opportunities (.) I mean (.) poor 222 people should have to go to school too 223 (.) I mean in different countries 224 P1 yes uh and when we watched the (2.9) the 225 (.) Colombia video you saw the private 226 schools were (1.6) 227 P2 (talk) 228 P1 they weren't really (.) they were even 229 better (.) better than the schools in 230 Sweden 231 P2 well (.) oh 232 P1 well kind of (.) I don't know maybe the 233 same or better I don't know 234 P2 no 235 P1 it looked (.) more fresh at least 236 P2 yeah 237 P1 uh (.) while the other schools they 238 didn't have 239 P2 they live in like mud-houses they didn't even have school books (.) 240 P1 241 they didn't have a world map or anything

242	P2	nothing (.) oh (.) oh (.) that's I think
243		also private schools so only rich people
244		can have a good education that's very
245		unfair (1.2) i think school should be for
246		Everyone
247	P1	like in Sweden where (.) uh everyone pays
248		for the children to go in school but the
249	P2	pay taxes
250	P1	the taxes
251	P2	it should be free
252	P1	yes
253	Т	ok I think that is enough
