

ABOUT

Musicambia brings **change** and **hope** to prison communities

Vision

Musicambia's vision is that every incarcerated person in the US discovers their potential, and prisons become centers for humane rehabilitation.

Mission

The mission of Musicambia is to create humanizing experiences in United States prisons through regular music education.

El Sistema

Musicambia is inspired by El Sistema. El Sistema promotes music ensembles as a perfect model of a functional society. 'The System' teaches the values of working independently and cooperatively through intensive music study and performances.

PARTNERSHIPS
