Review Questions

1. What are some of the uses discussed in this chapter that you may encounter with primary sources and archival records? Do you have a strategy for each use described? How would you work with each type of request?
2. Two types of resources are discussed in this chapter – reproductions of records and original records. What steps would you use to determine which is the most appropriate type of record for a patron's specific request?

Strengthen Your Understanding

To strengthen your understanding of this chapter, be sure to review the search strategy in Box 23.1 Determining Likely Topics Covered by Archival Records on page 618.
