

SEVENTH EDITION

# Reference and Information Services

AN INTRODUCTION

Melissa A. Wong and Laura Saunders, Editors

## Chapter 16: Geographical Sources

**Meagan A. Snow**

### Review Questions

1. Briefly explain why it is important for academic and public librarians alike to expand their knowledge of and skill with geographical sources. Consider both the local and global impact of geographical resources.
2. How has technology changed our relationship to geographic information? Consider the pros and cons, as well as specific examples of technological tools that either aid or hinder our access to accurate geographical information.

### Strengthen Your Understanding

*To strengthen your understanding of this chapter, be sure to complete the activities and answer the questions for reflection and discussion in Box 16.1 Map Bias on page 424 and Box 16.2 Comparing Map Interfaces on page 436.*
