

Exercise B4.3: Nouns in the dative case

This exercise practises nouns from the vocabulary lists for Chapter 3 and Chapter 4.

Here are the dative case endings you have learned in Chapter 4.

	1st declension	2nd declension	3rd declension
dative sg	-ae	-ō	-ī
dative pl	-īs	-īs	-ibus

Give the meaning for each noun and its dative singular and dative plural forms. Remember, you will need to use the genitive of each noun to work out the stem and the declension.

	noun	meaning	dative sg	dative pl
