

ENDURING UNDERSTANDINGS

- Solidarity is a universal value, defining us as caring and sentient beings.

ESSENTIAL QUESTIONS

- Which attributes and actions make us caring human beings?
- Which social issues is my community facing?
- What can we do to contribute to a fairer and more caring society in general and our community in particular?

CONTEXT

Ysgol Friars is working towards being accredited as a Peace School, part of which is the promotion of various charitable causes. Against the background of the cost-of-living crisis, the school is asking you to promote Solidarity Week to help your community through acts of kindness.

INTERPRETIVE

Pupils listen to the song Les Enforiés - La Chanson des Resto (without lyrics). Pupils fill in gaps in the lyrics, using a list of words provided. Pupils match English phrases to (underlined) French lyrics to increase understanding of the message. Comparison with initiatives in GB + school.

INTERPERSONAL

In small groups, pupils are each given the role of a person in need. Pupils establish the social issue and develop ways in which to support each other and find the best ways in which to tackle respective issues. Groups are mixed. Pupils do a hot seat activity, answering questions on how best to support them. (on pourrait/il fallait...)

PRESENTATIONAL

Create our school's own logo for the Solidarity Day. Create a persuasive video highlighting issues in our community and promoting actions we can take to help people in need in our community (to be shown during registration/assembly in run-up to the week, etc.)

MEDIATION FOR TRANSFER

- Identify ideas from words, phrases and visuals (lyrics/videos).
- Match words and visuals.
- Bridge and exchange attributes and acts of solidarity.
