

Exercise B13.2: 4th and 5th declension nouns – Latin into English

This exercise focuses on the 4th and 5th declension nouns from the vocabulary list for Chapter 13. List the case and number of each form given. Remember that the same endings are sometimes used for more than one case; give all the possible cases for each word.

You may find it useful to look at the Reference Grammar on pp220–221.
