

Exercise B13.5: Recognising voice (active, passive and deponent verbs)

This exercise uses verbs from the vocabulary lists for Chapters 12 and 13. Some of the verbs are active, some are passive and some are deponent.

Write out the principal parts for each verb and use these to identify if the form given is active, passive or deponent; then translate each one.

		principal parts	active, passive or deponent	translation
1	collectae estis			
2	moriatur			
3	malebamus			
4	ceciderant			
5	ablatum est			
6	proficiscebantur			
7	constituit			
8	coepisti			
9	tollit			
10	conabar
